

Texfel® Form

From flat to 3D

With TEXTFEL® FORM we give the possibility of manufacturing three-dimensional PET felt elements with a fantastic capacity for sound absorption and a great look & feel.

Be creative and sustainable!
Combining a 60% recycled PET felt, design and a thermoforming process, our PET felt allows you to give life to any acoustic and decorative element.

Composition
100% PET

Sustainability
60% recycled PET

Format
Roll

Length & Width
50 lm (L) & 1,40 m (W)

Weight
